

Northern Retreat November 3rd-5th 2026

Creation to Salvation

The Briery, Ilkley

Philip Hyne is offering material to reflect on creation, human beings and salvation. He will raise questions about how we can look at what the Bible offers, and the church has often taught, whilst standing before God as a 21st century person.

As always, there will be plenty of space for our own reflections and opportunities to take this into contemplative prayer.

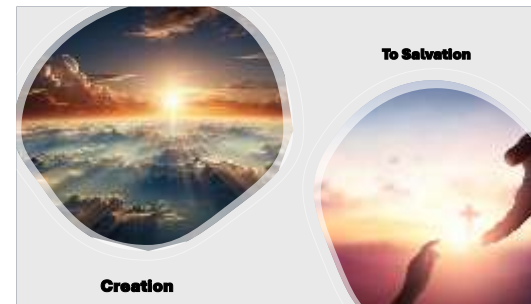

Philip Hyne BD, MA, is known to many as a regular attender at the Northern Retreat. He thinks of himself primarily as a Methodist Preacher with over 60 years' service. He has a great love of the stories of the Anglo-Saxon church in ancient Northumbria, (known to him through his wife's family). He has a great affinity with the early Irish church and also appreciates his contact with the Quaker movement.

Cost £270 Contact Rev Sandie Exley-Watts
