

## **Covenant of Love**

### *Reflections on the Methodist Covenant Service*

God's never-ending love  
flows on and on,  
caressing with its embrace  
all who let themselves  
be carried along,  
upheld by love.

It is not an obedient transaction.  
It is not a forced commitment.  
It is not a judgemental demand.

It is a willingness to be loved,  
to experience the whole of life  
within the love of God,

to be caught up  
in passionate depths,  
to learn to give  
All that you are (and have)  
to the One whose love  
never fails.
